1. Beginning stages of the World Leaders PBL

Initial question for discussion: "If you could solve one world problem what would it be?" Then find supporting imagery in a collage style to illustrate your issue and potential solutions.

Finally, provide a short written summary with the template:

My world topic is______. I think this is important because______

My ideas to solve this world issue include:

- 1._____
- 2._____
- 3._____
